IMMEDIATE PAST
PRESIDENT

Pam Beaver
Greylock Energy

I hope all of you are surviving this crazy weather. It seems we have no normal seasons anymore, but I am not complaining about the less amount of snow!

We had our first board meeting for 2018, while not all the board members were available to call in I do think we got started with some solid planning. The scholarship letters will go out soon. We are finalizing details for Desk & Derrick awareness, please watch for details and make plans to attend and bring co-workers that might be interested in joining.

In the works also is a couple of field trips, and also contact made for a couple that we have not heard back from. The first field trip will be in April.

If you have not sent your membership renewals in, please do so as soon as possible. Another request I have for you, the member, please get involved—attend the meetings—make suggestions. With teamwork we can accomplish most anything! Any ideas, suggestions for meetings, speakers, field trips—please contact any board member.

Hope to see you at a meeting soon!

Get involved.

Kathy Tawney
